

## Angel

Mandolin Orange

Angel, angel  
Did you cry when they took you away  
Did you cry tears of joy  
Oh angel  
Did you cry for me

How unlike a rose to grow so beautiful  
How unlike an ear to hear bad news  
How unlike a wild bird to fly away  
Oh angel, how unlike you

Angel, angel  
Did you cry when they took you away  
Did you cry tears of joy  
Oh angel  
Did you cry for me

I see the sun sinking low  
How unlike the day to end  
And now, with all that you know  
Oh angel, do you remember your old friend

Angel, angel  
Did you cry when they took you away  
Did you cry tears of joy  
Oh angel  
Did you cry for me
