## Mandolin Orange

Lay me down easy  
As you make my dyin' bed  
I'll keep your memory with me  
For as long as I rest  
As an old tree falls  
It's our loss  
They all fall  
Lay me down

Lay me down easy  
Deep in the clay  
As you touch another soul  
As you say what you'll say  
And defend then mine  
I've left my life  
Lay me down easy

Lay me down easy  
As we meet at the gate  
With the Devil on my shoulder  
And a poor man's fate  
Will I win my wings?  
Will I sleep? Sleep  
Lay me down
