

Jeanne D'arc

Mandragora Scream

Here in my darkest rave
I close my eyes and pray...

You are Jeanne you are the faith!
You the one you are the faith!

And when the voices call
creepin' like haunted sights

You are Jeanne you are the faith!
You the one you are the faith!

Balefire of faith!
Their creed of gale

Creepin' & dying,
across sacrifice
You're greedy of grace
your Jesus is a slave...
You'll rave in your creed...
My Lucifer's groan is alive...
My bleedin' Faith...Reigns.

Creepin' & dying,
across sacrifice
you're greedy of grace
your Jesus is a slave...
You'll rave in your creed...
My Lucifer's groan is alive...
I will promise you!

Said, you belong to...

I will promise you!

They call me demon witch,
heretical inside

You are Jeanne you are the faith!
You the one you are the faith!

Here in my bleedin' heart
I will be sacrificed

You are Jeanne you are the faith!
You the one you are the faith!

Maybe this time
my voices lied...

Creepin' & dying,
across sacrifice
You're greedy of grace
your Jesus is a slave...
You'll rave in your creed...
My Lucifer's groan is alive...
My bleedin' Faith...Reigns.

Creepin' & dying,
across sacrifice
you're greedy of grace
your Jesus is a slave...
You'll rave in your creed...
My Lucifer's groan is alive...
I will promise you!
