

Let's love
My graveyard is bleeding again
Beats in my carved veins
Velvet love [???] away
Swallowing my memories again
Memories of deep death
Let's love

They are creeping while
We are dancing around the graves
Tonight's a funny game
The game of night shades
Don't take care of [??]
All their arms are binding (?) high
But laugh out loud again
At the game of night shades

My playground is hiding my crimes
Made of victims from sweet wombs (?)
Now their shame is crying with (?)
They are dying to this winter's day
Memories of dead stars
Let's love

They are creeping while
We are dancing around the graves
Tonight's a funny game
The game of night shades

Jump and dance tonight
All around these bloody graves
And laugh out loud again
As the coiling of shades (?)
That live through my eyes
Living in my veins
Living in my life
Living on my

Don't take care of [??]
All their arms are binding (?) high
But laugh out loud again
At the game of night shades
Jump and dance tonight
All around these bloody graves
And laugh out loud again
As the coiling of shades
