

# It Don't Matter

Mandy Capristo

It don't matter 'bout the way you act tonight  
No, you can never make it right  
It don't matter 'bout the way you had me played  
No, it don't matter anyway  
It don't matter if you say you're gonna change  
Fool me twice and I'm to blame  
And I mean just what I say better believe  
Don't matter to me, to me, to me  
Don't matter to me, to me, to me

No, no reasons are good enough  
Ain't no way to drag me back in  
Save your words, don't share it  
'Cause I don't wanna hear it  
Who would think that I would say it like this  
You'll never lose me again  
Ain't no way  
You'll never lose me again

It don't matter 'bout the stories that you told  
( 'Cause your lying)  
'Cause your lying is so wrong (yes it is)  
It don't matter I was too blind to see  
Don't matter to me, to me, to me  
(It don't matter)  
It don't matter 'bout the choices that you made (settle in)  
'Cause my heart was settled in pain (yes it was)  
But I don't matter, I was young and naive  
Don't matter to me, to me, to me  
Don't matter to me, to me, to me

No, no reasons are good enough  
Ain't no way to drag me back in  
Save your words, don't share it  
'Cause I don't wanna hear it  
Who would think that I would say it like this  
You'll never lose me again  
You'll never lose me again

Never thought I would do this  
The sadness comes and it's takin' me home  
Never thought I would say this  
I'm all cried out

No, no reasons are good enough  
Ain't no way to drag me back in  
Save your words, don't share it  
'Cause I don't wanna hear it  
Who would think that I would say it like this  
You'll never lose me  
You'll never lose me  
You'll never lose me again  
Never lose, never lose,  
Never lose, never lose, never, no

You'll never lose, you'll never lose, you'll never lose

It don't matter
