Otherside

How long how long will I slide Separate my side I don't I don't believe it's bad Slittin my throat It's all I ever I heard your voice through a photograph I thought it up and brought up the past Once you've know you can never go back I've got to take it on the otherside Centuriees are what it meant to me A cemetery where I marry the sea Stranger things could never change my mind I've got to take it on the otherside Take it on the otherside Take it on the otherside Take it on Take it on How long how long will I slide Separate my side I don't I don't believe it's bad Slittin my throat It's all I ever Pour my life into a paper cup The ashtrays full and I'm spillin' my guts She wants to know am I still a slut I've got to take it on the other side Scarlet starlet and she's in my bed A candidate for a soul mate bled Push the trigger and pull the thread I've got to take it on the otherside Take it on the otherside Take it on Take it on How long how long will I slide Separate my side I don't I don't believe it's bad Slittin my throat It's all I ever Turn me on take me for a hard ride Burn me out leave me on the otherside I yell and tell it that It's not a friend I tear it down I tear it down And then it's born again

How long how long will I slide Separate my side I don't I don't believe it's bad Slittin my throat It's all I ever

I don't I don't believe it's bad Slittin my throat It's all I ever
