

Release Me

Mandy Harvey

I have something to say to you
And it's just, it's just too little, too late
It's time now we both face the truth
It's time we go our separate ways
Don't know how everything got confused
Can't explain the mess that we made

Oh release me!
Please, release me
Oh please, let me go

Don't you have something to say to me?
Do what I can't, no matter how I try
Break my heart, set me free!
Just tell me good bye!

Oh, release me!
Please, release me!
Oh please, release
Release me
Oh please, let me go
