Mandy Harvey

Nice to meet you are we flying?
Or is this all, in my head
I'm second guessing but I'm trying
Before it all, disappears

Seconds turn into minutes
Wasting time instead of living
Please, don't stand in my way
Cause I am running out of nowhere

Yes I'm moving on
I'm moving on
I'll lose the race if I wait
I'm so close that I can taste it
Yes I'm moving on
I'm moving on

Woah-oh-oh I'm running
This time I'm going to make it
Woah-oh-oh I'm running
This time

This time I'm going to make it
I'm not the same kid I used to be
Oh-oh-oh, this time I'm going to make it
I'm going to chase it for me

Seconds turn into minutes
Wasting time instead of living
Please, don't stand in my way
I am running out of nowhere

Yes I'm moving on
I'm moving on
I'll lose the race if I wait
I'm so close that I can taste it
Yes I'm moving on
I'm moving on

Woah-oh-oh I'm running
This time I'm going to make it
Woah-oh-oh I'm running
This time
This time
Woah-oh-oh I'm running
This time I'm going to make it
Woah-oh-oh I'm running
This time
