

All Good Things

Mandy Moore

All good things
All good things
All good things

Not sure where to go
Everybody I know
Says I'm too forgiving
And now that I'm wrong
I don't wanna move on
I just keep reliving

All good things
I wish you
All good things
Come to an end
All good things
I wish you well

Lost inside of my head
Empty side of the bed
I fill this place without you
I keep pushing the blues
'Cause I don't wanna lose
What I loved about you

All good things
I wish you
All good things
Come to an end
All good things
I wish you well

I could think of a million ways
You proved you weren't the one for me
To live inside of your shades of grey
And never mind the sunshine that I'll find

I got so much space now
I got a whole house
With the wind blowin' through
I don't need someone to hide
I got this whole world inside
I was accustomed to showing you

All good things
I wish you
All good things
Come to an end
All good things
I wish you well

Oh

All good things
Oh
All good things
Oh, oh, oh

All good things
I wish you well
