

## Spirit in the Night

Manfred Mann's Earth Band

Crazy Janey and her mission man  
Were back in the alley tradin hands  
Long came Wild Billy with his friend  
G-Man all duded up for Saturday night  
Well, Billy slammed on his coaster brakes  
And said, "anybody wanna go on up to Greasy Lake?"  
It's about a mile down on the dark side of Route 88  
I got a bottle of Rose, so let's try it  
We'll pick up Hazy Davy and Killer Joe  
And I'll take you all out to where the Gypsy angels go  
They're built like light and they dance like spirits in the ni  
ght  
(All night) in the night (all night)  
Oh you don't know what they can do to you  
Spirits in the night (all night)  
In the night (all night)  
Stand right up now and let them shoot through you  
Well now, Wild Billy was a crazy cat  
And he shook some dust out of his coonskin cap  
He said, "trust some of this, it'll show you where it's at  
Or at least it'll really help you feel it"  
By the time we made it up to Greasy Lake  
I had my head out the window  
And Janey's fingers were in the cake  
I think I really dug her cause I was too loose to fake  
I said, "I'm hurt." She said, "Honey, let me heal it."  
And we danced all night to a soul fairy band  
And she kissed me just right like only a lonely angel can  
She felt so nice, just as soft as a spirit in the night  
(All night) in the night (all night)  
Janey don't know what she do to you  
Spirit in the night (all night) in the night (all night)  
Stand right up and let her shoot through me  
Now the night was bright and the stars  
Threw light on Billy and Davy dancin in the moonlight  
They were down near the water in a stone mud fight  
Killer Joe gone passed out on the lawn  
Well now, Hazy Davy got really hurt,  
He ran into the lake in just his socks and a shirt  
Me and crazy Janey was makin love in the dirt  
Singin our birthday song  
Janey said it ws time to go so we closed our eyes  
And said goodbye to Gypsy Angel Row,  
Felt so right together we moved like spirits in the night (all  
night)
