Saturday

Mango

Saturday, oh Saturday
how cruel of you to go away
you turn us on and you don't even
have the decency to stay

we think that we're so cruel
and make the others drool
walking like a chameleon

turn around and turn me on
and make that sound you do
so well 'cause
i'm not dancing
i'm just shifting weight
i thought that
you could tell

we think that we're so cruel
and make the others drool
talking like a chameleon

sometimes love kills time
it just might tonight
Testi Canzoni
neon claws and drama queens agree
to like a local band
everyone is smoking filter cigarettes
all over again

we think that we're so cruel
and make the others drool
walking like a chameleon

sometimes love kills time
it just might tonight
sometimes love kills time
it just might tonight
sometimes love kills time
it just might tonight
sometimes love kills time
it just might tonight
