

# Cinderella

Manian

Once upon a time  
There was a girl I used to know  
Oh she looked so fine  
Just like an angel sent from above

Where are you now? I need your love  
In this fairytale, we'll be together  
So take my hand, I won't let go  
No, never

She's a Cinderella, whoa oh oh  
When she dances, she shines like a star  
A Cinderella ella, whoa oh oh  
One day you'll be breaking my, breaking my heart  
She's a Cinderella, whoa oh oh  
Over the rainbow, she stands like a star  
..., whoa oh oh  
One day you'll be breaking my, breaking my, breaking my, breaking my heart

You're my bella Cinderella ella ella  
Baila baila Cinderella ella ella  
You're my bella Cinderella ella ella  
Baila baila Cinderella ella ella

I dreamed of her at night  
Feels like a fairytale gone wild

Where are you now? I need your love  
In this fairytale, we'll be together  
So take my hand, I won't let go  
No, never

She's a Cinderella, whoa oh oh  
When she dances, she shines like a star  
A Cinderella ella, whoa oh oh  
One day you'll be breaking my, breaking my heart  
You're my bella Cinderella ella ella  
Baila baila Cinderella ella ella  
You're my bella Cinderella ella ella  
One day you'll be breaking my, breaking my, breaking my, breaking my heart

You're my Cinderella

You're my bella Cinderella ella ella  
Baila baila Cinderella ella ella  
You're my bella Cinderella ella ella  
Baila baila Cinderella ella ella
