Feels feels like a like a discogirl!

Feels feels like a like a discogirl!
Let's go!

Can you feel that love is in the air?
Can't you see them dancing everywhere?
Now I know why my heart is blue!
I feel fine fine fine for you!

Can't you see them dancing everywhere?
Now I know why my heart is blue!
I feel fine fine fine for you!

Fine fine fine for you!
