

Manian - Feel fine

Manian

Can't you feel that love is in the air?
Can't you see we're dancing everywhere?
Now I know why my heart is blue!
I feel fine fine fine for you!

Can't you feel that love is in the air?
Can't you see we're dancing everywhere?
Now I know why my heart is blue!
I feel fine fine fine for you!

Fine fine fine for you!

Fine fine fine for you!

(Let's go!)

Can't you feel that love is in the air?
Can't you see we're dancing everywhere?
Now I know why my heart is blue!
I feel fine fine fine for you!

Can't you feel that love is in the air?
Can't you see we're dancing everywhere?
Now I know why my heart is blue!
I feel fine fine fine for you!
