Welcome To The Club

Manian

It's alright
You're ready for the night
Of your life
Stars will shine so bright
They say
We're dancing the stress away
(Hey hey)

This beat
Is underneath your feet
Right now
Together we will meet
This place
Will blow your mind away
(Hey hey)

Welcome to the club now Gonna pump it up now This is an emergency Music is my galaxy

Welcome to the club now Everybody's up now We've gotta going on Until the break of dawn

Welcome to the club now Gonna pump it up now This is an emergency Music is my galaxy

Welcome to the club now Everybody's up now We've gotta going on Until the break of dawn So put the record on

So put the record on

So put the record on

To the club now

To the club now

Right now
We're standing here in line
Open up the door mr frankenstein
Cause we're here
To dance the night away
(Hey hey)

Welcome to the club now Gonna pump it up now This is an emergency Music is my galaxy Welcome to the club now Everybody's up now We've got it goin on Until the break of dawn

Welcome to the club now Gonna pump it up now This is an emergency Music is my galaxy

Welcome to the club now Everybody's up now We've got it goin on Until the break of dawn So put the record on

So put the record on

So put the record on Operator!

Here in the club my looks are sexy
Call me 'the drops' and then check my ID
Then guide them (Ho)
Then guide them (Ho)
Hey Manian I'm gonna rock the show
Operator (Crank it up!)
Operator (Crank it up!)
I and amigo we enter the club
We enter the club!
Enter the club!

To the club now
