Manic Drive

Calling it surviving
Now I'm thrown in the den with the lions
Not my choice to defy them
Kinda force me when they sent in Goliath
Jaded coliseum
Fed me to the wolves cause I disappoint the system
Never bow down, the imposter wears the crown
Do you think that I fear it?

Hold tight, just keep breathing
Take another hit when you're bleeding
Hold tight, it's a fixed fight
I'm coming at you like a, coming at you (coming at you like a)
Hold tight, just keep breathing
Take another hit when you're bleeding
Hold tight, it's a fixed fight
I'm coming at you like a, coming at you

Coming at you like a champion
Coming at you like a champion
Coming at you like a freight train, unchained, oh, do you feel it?
Coming at you like a champion

Telling me to lay low
Stay down, don't move, it's critical
Hold your breath, so they won't know
Unanimous advice, think twice don't start a war
I'm the outsider
I'm the one man army empire
Never bow down, the imposter wears the crown
Are you begging for a ceasefire?

Hold tight, just keep breathing
Take another hit when you're bleeding
Hold tight, it's a fixed fight
I'm coming at you like a, coming at you (coming at you like a)
Hold tight, just keep breathing
Take another hit when you're bleeding
Hold tight, it's a fixed fight
I'm coming at you like a, coming at you

Coming at you like a champion
Coming at you like a champion
Coming at you like a freight train, unchained, oh, do you feel it?
Coming at you like a champion

(Want it) I want it, (got this) I got this, (bring this)
Goin' bring this down, down, down (I'm coming at you like a)
(Want it) I want it, (got this) I got this, (bring this)
Goin' bring this down, down, down (I'm coming at you like a)

Goin' bring this down, down, down (I'm coming at you like a)
(Want it) I want it, (got this) I got this, (bring this)
Goin' bring this down, down, down...

Coming at you like a champion
Ready or not, I'm coming for ya, I'm coming for ya

Coming at you like a champion
Ready or not, I'm coming for ya, I'm coming for ya
Coming at you like a freight train, unchained, oh, do you feel it?
Coming at you like a champion
