

# Halo

Manic Drive

I ain't trying to hide who I wanna be  
and your criticism means nothing to me  
What I wear, I wear it proud  
And when I rock it (ya) I rock it loud  
c'mon!  
I'm not afraid to show what my heart believes  
all the pressure and lies don't affect me  
I'm not here to be part of the crowd  
I'm here to rock em with a heavenly sound

I'm not ashamed of it  
My heart is transparent  
I don't got anything to hide  
No I'm not covering  
Oh you can see my wings  
I'm not an angel that's in disguise

I rock my Halo  
I rock my Halo  
Oh oh oh  
I rock my Halo  
I rock my Halo  
oh oh oh

They don't confuse me with any other guys  
Cause my halo is like a neon light  
And all the people they can tell me apart  
I'm forever glowing in the dark  
I'm gonna take these wings, and open them wide  
I'm gonna be an angel in the people's eyes  
I'm representing like I'm not of this world  
So you can call me supernatural

I'm not ashamed of it  
My heart is transparent  
I don't got anything to hide  
No I'm not covering  
Oh you can see my wings  
I'm not an angel that's in disguise

I rock my Halo  
I rock my Halo  
Oh oh oh  
I rock my Halo  
I rock my Halo  
oh oh oh

And I'm not ashamed of it  
(let the people know)  
I'm not ashamed of it  
(Let the people know)  
I'm not ashamed of it  
(Let the people know)  
I'm not ashamed of it

I got no rock, I got no roll  
without my halo

I got no rhythm, I got no soul  
without my halo  
I got no rock, I got no roll  
without my halo  
I got no rhythm, I got no soul  
So let the people know

I rock my Halo  
I rock my Halo  
Oh oh oh  
I rock my Halo  
I rock my Halo  
Oh oh oh  
I rock my  
HHHAAALLLOOO  
Oh oh oh  
I rock my Halo  
I rock my Halo  
Oh oh oh
