

## Mic Drop

## Manic Drive

Oh, make way for the crew  
Bust down that door  
Turning heads as they break their necks  
You know  
Oh, all eyes on us  
And your jaw bone hits the floor  
Hello, I don't think we've ever met before

We them boys from the six (mh-hmm)  
Watch it as we drop it like this (hummm)  
Here we come  
Ready or nah-nah-nah-not  
Can't stop the mic drop  
We own it, own it  
No we really can't wait cause we 'bout to drop this  
Here we come  
Ready or nah-nah-nah-not  
Can't stop the mic drop  
We love it, love it  
And we really can't quit  
Gotta keep it a hundred  
Here we come  
Ready or nah-nah-nah-not  
Can't stop the mic drop  
We them boys from the six (mh-hmm)  
Watch it as we drop it like this (hummm)  
Here we come  
Ready or nah-nah-nah-not  
Can't stop the mic drop  
We own it, own it  
No we really can't wait cause we 'bout to drop this  
Here we come  
Ready or nah-nah-nah-not  
Can't stop the mic drop

Oh, against all odds  
Underdogs with one shot  
Case closed  
Posers cry hoax as we do the impossible  
Oh, and we do it like we do  
Perfect every single time  
So, step back (hey!)  
Step back (hey!)  
I'm about to-I'm about to crush this microphone

We them boys from the six (mh-hmm)  
Watch it as we drop it like this (hummm)  
Here we come  
Ready or nah-nah-nah-not  
Can't stop the mic drop  
We own it, own it  
No we really can't wait cause we 'bout to drop this  
Here we come  
Ready or nah-nah-nah-not  
Can't stop the mic drop  
We love it, love it  
And we really can't quit

Gotta keep it a hundred  
Here we come  
Ready or nah-nah-nah-not  
Can't stop the mic drop

Uh, who's talking now?  
Who's talking now?  
Uh, c'mon let me break it down for ya just like this  
Talk is cheap  
We them boys taking over the city  
Ride with me  
Goin' downtown  
Bring it down down  
C'mon now  
Talk is cheap  
We them boys taking over the city  
Ride with me  
Goin' downtown  
Bring it down down  
C'mon now
