

# Under

Manic Drive

Stay calm, I'm not ready to go  
Got a feeling that you already know  
That I'm pressured with all this stress  
I got something to get off my chest

Chills started we're exposed to the cold  
And we're shivering down to the bones  
Ya, I'm tired of being put to the test  
To be honest I could use some rest

Just tell me you love me, tell me you care  
Ya, I've looked for the sign but it wasn't there

Don't need to see it I can I can feel it, feel it  
No don't understand the reason, reason  
Something's coming up from under, under, oh, under  
Don't need to see it I can I can feel it, feel it  
Blindfolded but beneath me, neath me  
Something's coming up from under, under, oh, under

Don't need to see it I can I can  
Feel it (Feel it, feel it, feel it)  
Something's coming up from under (under, oh, under)  
Feel it (Feel it, feel it, feel it)  
Something's coming up from under (under, oh, under)

Tremblin' and the shakes begin  
Feel it creepin' and it's under my skin  
Do or die, it's sudden death  
Letting go but I'm not holding my breath

Oh no, oh no, it's getting closer  
Won't you lay low, lay low, until it blows over  
Don't you feel the tremors comin'? Are you hearing that sound?  
I think it's starting to kick in, you should be feelin' it now

Oh, wont you tell me you love me, tell me you care  
Ya, I've looked for the sign but it wasn't there

Don't need to see it I can I can feel it, feel it  
No don't understand the reason, reason  
Something's coming up from under, under, oh, under  
Don't need to see it I can I can feel it, feel it  
Blindfolded but beneath me, neath me  
Something's coming up from under, under, oh, under

Feel it (Feel it, feel it, feel it)  
Something's coming up from under (under, oh, under)  
Feel it (Feel it, feel it, feel it)  
Something's coming up from under (under, oh, under)

If only I could turn back time  
If only I could change your mind  
If only I could save your life  
If only I could save your life  
If only I could save you, save you  
If only I could turn back time

If only I could change your mind  
If only I could save your life  
If only I could save your life  
If only I could save you, save you
