

# Engage With Your Shadow

Manic Street Preachers

Eins, zwei, drei, vier fünf  
Eins, zwei, drei, vier

Disjointed echoes  
Hermetically sealed  
Refreshed and renewed  
In urban retreats

Copied versions  
Of the London Eye  
So we can view the unemployed

Reserve your needs  
Britisch[?] artisan  
Just as fake as your winter sun-tan

Media streams  
Bluetooth zones

Get connected  
Join the conversation  
More and more  
Sad reflections

The vacancy signs  
Have been erected  
I'm so out of date  
I've been disconnected  
I've been disconnected

Unlocking your true potential  
Unlocking your true potential  
Unlocking your true potential  
Unlocking your true potential

Mega-democracies  
A lost loneliness  
I feel as useless  
As a VHS

Rebrand, reveal, refuse  
Rebrand, reveal, refuse
