

# If white america told the truth

Manic Street Preachers

Images of perfection, suntan and napalm  
Grenada-Haiti-Poland-Nicaragua  
who shall we choose for our morality  
I'm thinking right now of Hollywood tragedy  
big mac:smack phoenix r:please smile y'all  
Cuba, Mexico can't cauterize our discipline  
your idols speak so much of the abyss  
yet your morals only run as deep as the surface  
cool-groovey-morning-fine  
Tipper Gore was a friend of mine  
I love a free country  
the stars and stripes and an apple for mommy  
conservative say there ain't no black in the union jack  
democrat say there ain't enough white in the stars and stripes  
Compton-Harlem-a pimp fucked a priest  
the white man has just found a new moral saviour  
vital stats-how white was their skin  
unimportant-just another inner-city drive-by thing  
morning-five-serve your first coffee of the day  
real privilege, it will take your problems all away  
number one-the best-no excuse from me  
I am here to serve the moral majority  
cool-groovey-morning-fine  
Tipper Gore was a friend of mine  
I love a free country  
the stars and stripes and an apple for mommy  
Zapruder the first to masturbate  
the world's first taste of crucified grace  
and we say there's not enough black in the union jack

and we say there's too much white in the stars and stripes

fuck the Brady bill

fuck the Brady bill

If God made man they say

Sam Colt made him equal
