

# The Year Of Purification

Manic Street Preachers

Detoxification  
Purification  
The ravaged corner  
Cold and embittered

Run away - run away as fast as you can  
From anything that needs discipline

The year of purification  
The year of purification

Deification  
Depopulation  
Crescendo of craving  
Sullen and distorted

Run away - run away as fast as you can  
From anything that needs discipline

The year of purification  
The year of  
The year of purification  
The year of purification

What have I said?  
What have I said again?  
I regret everything

Moral little shit-kickers  
Liberal asinine pricks

Run away - run away as fast as you can  
From anything that needs discipline

The year of purification  
The year of  
The year of purification  
The year of purification
