MANILA GREY

Remember days they
Came and went
Yeah, yeah
Eli on this mothafucka
Yeah
We had zero yeah
We had zero yeah, mm
Remember the times, yeah
Mmhmm
Remember the times

We back on the streets remember the times we had zero
No time for love, no time for life that shit too cut throat
A bag was a thou now the bag least 4 zeroes yeah
At least 4 zeroes yeah, at least 4 zeroes yeah
Back on the streets remember the times we had zero
No time for love, no time for life that shit too cut throat
A bag was a thou now the bag least 4 zeroes yeah
At least 4 zeroes yeah

I got no time, I got no time to be your hero
Remember the times in the civic cruise with bro bro
We had a few hunnits tried to flip that at the Nino
Yeah just to get by another month or that shit game over
Now I'm pullin up Range Rover
Now that I'm years older
I'm playin the game smarter
I'm makin it rain colder
I'm makin it rain colder
I rolled the bank over
Heavy stacks in the LV duffle
Now I got a bad shoulder, yeah
Panoramic views on the 55th floor
I can't trust you, you can't stand too close
Blew a whole bag at the Louis V store
Blew a whole bag at the Louis V store
Party so hard we go live till the morning
Party too hard till like 5 in the morning
Go till 5 in the morning
Go till 5

We back on the streets remember the times we had zero
No time for love, no time for life that shit too cut throat
A bag was a thou now the bag least 4 zeroes yeah
At least 4 zeroes yeah, at least 4 zeroes yeah

Yeah, Blame
Yeah, uh
Back in the islands with my bitch
(With my bitch)
Yeah, that shit live what a trip
(What a trip, yeah)
Used to fantasize being rich
These are days I don't miss
Days, goin' through days at a time
I ain't phased while they play all the time
We ain't signed cause there's too much on the line

Applying pressure yeah these diamonds need to shine
If GHOSTRIDENEEKO need an assist
Half time at the club I see twins
End of the night I see wins
Please no camera lens, point that at the 10's
Days goin' through days at a time
I ain't phased while they play all the time
All these zeroes more than 4 all the time
All my bros they all frozen all the time

We back on the streets remember the times we had zero
No time for love, no time for life that shit too cut throat
A bag was a thou now the bag least 4 zeroes yeah
At least 4 zeroes yeah, at least 4 zeroes yeah
Back on the streets remember the times we had zero
No time for love, no time for life that shit too cut throat
A bag was a thou now the bag least 4 zeroes yeah
At least 4 zeroes yeah

Days goin' through days at a time
I ain't phased while they play all the time
All these zeroes more than 4 all the time
All my bros they all frozen all the time
