

## Shibuya Interlude

MANILA GREY

Dealin' with some things  
I've been, I've been dealin' with some things you ain't know ab  
out  
(Changed) Changed how I move for the better  
Got one vice no vendettas  
Life supposed to be laid back  
Everything that happened in the past trying to let it go  
Where I'm headed I don't know  
On the nightdrive shit I might be  
On the right side of the pavement (Let it go)  
And I'm feeling all jaded (Let it go, let it go)  
Damn, shorty our love faded (If I did this or did that would it  
make an impact)  
Damn, always told you I would make it one day (On my life, shit  
I'll never know)  
And you thought, that was so blatant of me  
You did not, have the time or the patience with me  
Shit  
Switched up quick damn I thought I really knew ya  
Yeah  
Sake feeling nice, leave my feelings in Shibuya
