MANILA GREY

You left me no choice no choice  
Roll deep big body convoys  
OGs got me and my homeboys  
All the time only follow God's voice

And he knows, lately I ain't been myself  
Lately I've been skippin my prayers  
Lately It's been war  
Lately I've been bodying the competition  
Lately I've been counting my kills

Forgive me I'm real  
Hit you top left in the feels  
Tough love, got it from the Phils  
Hard knock they don't know still  
Nah, this is what I specialize in

Specialize in  
I can see it in your eyes when you telling me lies  
You telling me lies

Dog, this is what I specialize in  
Specialize in  
You can see it in my eyes  
I'm bound to be immortalized

I flex for the Westside, bags in the X5, 1z let the rest die  
I see through the convos, I'm all seeing there's things that you can't hide

Never never snaked nobody  
Only you to blame if I take your shawty  
Only got Blame, got North, got Strikey, got Osi  
Got Cy, Malakai, Renz, BD, that's Posse

Yuh Damn lately I been skip my prayers  
Yuh, lately I been driven off fear  
Yuh, fuck it been drinkin all year  
Cheers, still out doing my peers

Yuh Momma ride mode, 6 gears  
Now these days she don't gotta pay bills  
Yuh Pops still poppin off pills  
I pray you heal and do what you specialize in  
Specialize in

Specialize in  
I can see it in your eyes when you telling me lies

Parting up the sea like Poseidon  
They look up to the 1z for the guidance  
Blood, sweat and tears for the diamonds  
Let that bitch shine, shy away from the violence

Violins playing in the back at the funeral  
Strings cut deep nothing you would know  
Wings to the west nothing you would know  
Seen some things I could never show

Tita got married to the general  
Go get that money, get that medical  
Get that white Porsche, get several  
House on the hills, it's phenomenal

Laughing to the bank, she hysterical  
Collect that bag, at the Louis store  
Go get that money get that medical...
