

I ain't mad at you  
Ass got me looking past the attitude  
Penthouse looking like a temple  
Money knows how to heal it simple  
Too simple

Found my zen, when I'm throwin bands uh huh  
Shawty made her dance uh huh  
When I'm with the gang yuh  
Gold teeth grin only seeing fangs yuh  
When I'm throwin bands uh huh  
Shawty made her dance uh huh  
When I'm with the gang yuh  
Gold teeth grin only seeing fangs yuh

Zen mode, essence let that thang smoke  
I'ma light some pre rolls only good vibes need that energy  
Ride mode, lost between the time, woah  
Himalayan salt glow, Neeko in a good space mentally  
You know, only speaking true  
Baby she still bad, in that baby blue  
Only trust my 1z, only trust my crew  
Snakes landed from the plane now they in the room now they bouncing too  
Cyro slow it down hit me with the backspin  
Quick hold up hey hit me with the adlibs  
Street illegal my truck got the black tints  
Trunk open parked sideways money bags in yeah

Found my zen, when I'm throwin bands uh huh  
Shawty made her dance uh huh  
When I'm with the gang yuh  
Gold teeth grin only seeing fangs yuh  
When I'm throwin bands uh huh

She just want a boyfriend no westside  
Body like a benz let me test drive  
She ain't got no man she the best kind  
I just hit it then I slice, yellow boy nothing nice  
I'm up in Vancity I got the bands with me  
No I don't plan to peep like how am I managing?  
I'm with a Spanish thing I'm not her man to be  
See that my bank account up it's always the last to sleep  
Moncler puffer  
Chain dance like it's Usher  
Hit my phone too much  
I just had to cut her  
Back back you can't be all in my bubble  
In and out the money had to make it double double

When I'm with the gang  
Gold teeth grin only seeing fangs  
Gold teeth grin only seeing fangs yuh
