

# Save Your World

Manizha

There was a man  
With a gun  
In his hands  
What made him hurt us?  
Why'd he cause such pain?

What can we do?  
Maybe we shouldn't have to  
We're scared to move  
But it's worse to endure

Пусть мир болит  
И в руках мира ночь  
Но пусть нежно спит  
Моя маленькая дочь  
В руках любви ее дом ее цвет  
Мир болит – но к утру ведь рассвет

Save your world  
Моя маленькая  
Hope you'll see  
What I see in your eyes

We all get burned  
Моя маленькая  
Getting burned  
When we came here to love

I'm here to love, to love, to love  
Only for love

Аз мухаббат талххо ширин шавад  
Аз мухаббат миссхо зарин шавад  
В-аз мухаббат дардхо шофи шавад  
Аз мухаббат мурда зинда мекунанд

You can save your world  
Моя маленькая  
Hope you'll see  
What I see in your eyes  
I'm not afraid for you  
Моя маленькая  
Cause I know  
That the future is yours

It's yours, it's yours, it's yours  
Already yours

You can save your world  
Моя маленькая  
Even if you lose it all  
I'm not afraid for you  
Моя маленькая  
Cause I know  
That the future is yours

It's yours

It's already yours
