Ooooooooooooooooooooooooooooooooooooo

Let the games begin

This double end

Step up in the funk shit looking swaggered out (chyeah)

Here we partying

Girl bring a couple friends

And your boyfriend he's getting wacked out

I know I got you eye (why)

Because I'm looking fly (O yeah)

And I wonder why you ain't made a move yet

Because I know

That you know

That tonight me and you gonna do it

Cause I'm a playa baby and I got the itch

But I'm not trickin

My money stayin in my wallet

And I'm gonna spend this money on you

Cause it never rains inside California

And I'm a soul rida

Take my hand

Wild wild west can you ride it like a dog

I'll be a star

Ya I'm a go platinum

Not a gold rappa

But never go without one.

I'm a star that's shining so bright

I can see that everything is alright

I can be your MVP tonight

I can be your MVP all night

She lovin me wanna be under me

She won't leave me alone I love the attention

I want her honey

I'm feelin like a bumblebee

And she want my bone like I'm in extinction

A T-Rex (A T-Rex) A tyrannosaurs

And I can go on about my wild stories

With these girlies (With these girlies)

It's unimaginable and that's

Why I'm the most valuable

Playa playa

Go Playa

Bannana

Fo Fanna

Go Lakers

See more paper and no respect fo those haters

Hater

Hater

I hate a hater

For Real
Feel like a chief when I'm makin those meals

I'm a Sella
Be my customa
Since I was up in here now I'm stuck withcha
Since I'm in your world let me be in your mind
If you show me yours girl
I'll show you mine

I'm a star that's shining so bright
I can see that everything is alright
I can be your MVP tonight
I can be your MVP all night
T.I.U turn it up
Turn it up
T.I.U let's get it jerkin in the function
T.I.U turn it up
Turn it up
C.I.U let's get it jerkin in this function
All night
I can be your MVP (4x)
