

Great Moments In The Ghetto #2

Mannie Fresh

Hi, this is another Great Moment in the Ghetto

One hot summer night, Sha'queta and Antoinette
Were fighting over a card game
Sha'queta told Antoinette
"Bitch, don't renege on me or it's on in this motherfucker."
And that's when it happened:
Sha'queta grabbed Antoinette by her white crew neck T-shirt
And pulled it to the left on the collar part creating a V-form
And she proceeded to tear the bottom off of the T-shirt
Creating the V-neck cross your heart halter top
Sha'queta, inventor of the V-neck cross your heart halter top
Thank you

This has been another Great Moment in the Ghetto
