

# Alone On Christmas Eve

Måns Zelmerlöv

Dear Santa, it's me writing  
Tryna put into words  
How the weight of the world just got to me  
I just don't know who else to turn to  
It's hard to admit  
But I feel like a child right now

Finally, it dawned on me

With the snowflakes falling down  
My footprints on the ground  
Are fading with each breath I breathe  
And the road that got me here  
Has slowly disappeared  
I'm lonely as a child can be  
No, I don't wanna be  
Alone on Christmas Eve

I remember, Christmas mornings  
How we'd run down the stairs  
Excitement in the air for what would be  
Oh, how I wish I could go back in time  
And relive all the memories  
And moments that Christmas was to me

No, nothing else is what it seems  
I'm letting go of childhood dreams

With the snowflakes falling down  
My footprints on the ground  
Are fading with each breath I breathe  
And the road that got me here  
Has slowly disappeared  
I'm lonely as a child can be  
No, I don't wanna be  
Alone on Christmas Eve

No, nothing else is what it seems  
I'm letting go of childhood dreams

With the snowflakes falling down  
My footprints on the ground  
Are fading with each breath I breathe  
And the road that got me here  
Has slowly disappeared  
I'm lonely as a child can be

But there's snowflakes falling down  
My footprints on the ground  
Are fading with each breath I breathe  
And the road that got me here  
Has slowly disappeared  
I'm lonely as a child can be  
No, I don't wanna be  
No, I don't wanna be  
Alone on Christmas Eve
