Faker

Måns Zelmerlöw

This ain't a bed, it's just a mattress
She ain't mine, she just an actress
This ain't fair, I thought I had this
But I guess I don't
I'm walking 'round like I'm still happy
Like I'm still more than ordinary
Thought that time would help to mend me
But I guess it won't

It's good to see you are doing better
You and him look good together

Oh, I'm such a faker
Pretending I'm okay, yeah
When I don't feel nothing
I can't feel nothing without you, without you
Oh, I'm such a faker
Such a happy imitator
But I don't feel nothing
I can't feel nothing without you, without you
You, you

This ain't my head, it's just a rental
'Til I can get myself to central
I've been holding on to candles
I gotta let 'em go

It's good to see you are doing better
You and him look good together

Oh, I'm such a faker
Pretending I'm okay, yeah
When I don't feel nothing
I can't feel nothing without you, without you
Oh, I'm such a faker
Such a happy imitator
But I don't feel nothing
I can't feel nothing without you, without you
You, you
You (Without you, without you, without you)
You

Oh, I'm such a faker (Faker)
Pretending I'm okay, yeah (Okay)
When I don't feel nothing
I can't feel nothing without you, without you
Oh, I'm such a faker (Faker)
Such a helpless imitator (Imitator)
But I don't feel nothing
I can't feel nothing without you, without you
You (Without you, without you, without you)
You (Without you, without you, without you)
You
