I'm so sorry I didn't see
You needed more, you needed me
You seemed to be always smiling
I didn't feel your suffering
You were hiding and did not speak
But pain is better not to keep
So please you should try to explain
To hunt this bird that lay in your brain

I'm so sorry
I'm so sorry
So so sorry
I didn't see
I didn't see
You're so far from me
I didn't see
I didn't see
You're so far from me
I'm so sorry

Darling you should try to tell me
Whenever you feel far from me
I'll be patient day after day
To let us get closer this way
As you're shy, it's hard to climb
We have to fight, mountains are high
But fear will disappear at night
I'll be with you when it gets dark

I'm so sorry
I'm so sorry
So so sorry
I didn't see
I didn't see
You feel far from me
So so sorry
I didn't see
I didn't see
You feel far from me
I'm so sorry
So so sorry
I didn't see
You feel far from me
I didn't see
You feel far from me
I didn't see
You feel far from me
