

Don't Wait

Mansionair

Never could admit
Something that I did
Calling all your friends
I hear their whispers
Will you be home at ten?
Can you let me in?
I'm falling over it
Now something's missing

Don't wait
If there's nothing I can do to change your mind
Just say
That you don't wanna love me right now

Don't wait
If there's nothing I can do to change your mind
Just say
That you don't wanna love me right now

Don't wait
Don't wait
Don't wait

Don't wait
If there's nothing I can do to change your mind
Just say
That you don't wanna love me right now

How could I forget
It wasn't what you said
Something that you missed
Kinda left me guessing
I could come around
Stay up another hour
We could talk it out
If you'd just listen

Don't wait
If there's nothing I can do to change your mind
Just say
That you don't wanna love me right now
Don't wait
If there's nothing I can do to change your mind
Just say
That you don't wanna love me right now

Don't wait
Don't wait
Don't wait

Don't wait
If there's nothing I can do to change your mind
Just say
That you don't wanna love me right now

Don't wait
