Mansionair

Out of reach
Felt so far away
You were caught beneath
A mile of your mistakes

Then you said hey
How does it feel to let it go
Then you said hey
Be my eraser
Then you said hey
How does it feel to let it go
Then you said hey
Be my eraser

Then you said hey
How does it feel to let it go
Then you said hey
Be my eraser

Pull me in
And trace the light of day
Might have caught a glimpse
Before you lost your way

You tried to mend, you played pretend, but nothing seems to change
You're wearing thin, you're holding it in, it's written on your face

Then you said hey
How does it feel to let it go
Then you said hey
Be my eraser
Then you said hey
How does it feel to let it go
Then you said hey
Be my eraser

Be my eraser
Be my eraser
Be my eraser
Be my eraser
Be my eraser

Then you said hey
How does it feel to let it go
Then you said hey
Be my eraser
