And you see, I kind of shivered to conformity, did you see The way I cowered to authority? You see And my life, it's a series of compromises, anyway it's a shame And I'm conditioned to accept it all, you see Than I had before, than I've presently got Than I'll ever use up, than I really need Than I had before, than I've presently got Than I'll ever use up, than I really need Than I had before, than I could possibly spend Than I'll ever use up, than I really need Than I had before, than I could possibly spend Than I'll ever use up, than I really need It's more than I can spare My religion is caged Safe from progress, purgatory I know How does this affect me? Emotionally affect me Will they let me go? Will they let me go? Will they let me go? Equilibrium imbalanced again I feel no pain I feel no I feel no pain Jabberwocky haunts me, in my memory it's caged I feel no pain I feel no I feel no pain Jabberwocky haunts me, in my memory it's caged I feel no pain I feel no pain I feel no pain But if you punched me in the stomach, then I'd feel it again Feel no pain I feel no I feel no pain But if you punched me in the stomach, then I'd feel it again Life is a compromise anyway Life is a compromise anyway Life it's a compromise anyway Life it's a compromise anyway It's a sham and I'll accept it all Life is a compromise anyway Life is a compromise anyway Life it's a compromise anyway Life it's a compromise anyway And it's a sham and I'll accept it all

And you see, I kind of shivered to conformity, did you see The way I cowered to authority? You see And my life, it's a series of compromises anyway It's a sham and I'm conditioned to accept it all, you see

Than I had before, than I've presently got Than I'll ever use up, than I really need Than I had before, than I've presently got Than I'll ever use up, than I really need

Than I had before, than I've presently got Than I'll ever use up, than I really need Than I had before, I've presently got Than I'll ever use up, than I really need

Than I had before, I could possibly spend Than I'll ever use up, than I really need Than I had before, I could possibly spend Than I'll ever use up, than I really need

Than I'll ever use up, than I really need Than I had before, than I've presently got Than I'll ever use up, than I really need It's more than I can spend [Incomprehensible]
