

## Dead End Solution

Manticora

so what if your mind's messed up  
I don't care if you live or die  
you can tell me all your philosophies  
all I see is one hell of a lie

you're a dead man in disguise  
you're weak as time it flies

I am the snake in paradise  
I'll be your hatred mountainsize  
I am the retribution in your mind  
I'll be your sword - the killing kind

I've searched for more in my life  
than you can ever bring  
now I'm here to look right in your eyes  
I'm here to drain your energy

t's my solution, it's my command  
to kill your lies and make a stand

I am the snake in paradise  
I'll be your hatred mountainsize  
I am the retribution in your mind  
I'll be your sword - the killing kind

now I know your mind's messed up  
I know you're weaker than I  
your prostitution's obvious  
and I couldn't care if you die

don't come sneaking around me again  
coz my life's better without you, my friend

I am the snake in paradise  
I'll be your hatred mountainsize  
I am the retribution in your mind  
I'll be your sword - the killing kind  
the killing kind  
the killing kind

the killing kind  
the killing kind  
the killing kind
