

River Why

Manu Chao

This is not success
This is not progress
This is just
A collective suicide
This is not success
This is not progress
This is just
A collective suicide

Is there a bridge over the river, why?
Is there some hope under the river dry?
I'm gonna do it for another try
Is there a bridge over the river, why?

Oh, whoa, whoa
Whoa, whoa
Oh, whoa, whoa
Whoa, whoa

Is there a bridge over the river, why?
Is there some life over the river sky?
I'm gonna do it for another try
Is there a bridge over the river, why?

Oh, whoa, whoa
Whoa, whoa
Oh, whoa, whoa
Whoa, whoa

I'm gonna do it all along damn day
I'm gonna do it on my lonely, lonely way
I'm gonna do it all along damn day
I'm gonna do it on my lonely, lonely way

Is there some light over the river die?
Is there some hope under the river dry?

I'm looking for
My river wise
I'm looking for
And through your eyes

I'm looking for
My river wise
I'm looking for
I'm looking for

This is not success
This is not progress
This is just
A collective suicide
This is not success
This is not progress
This is just
A collective suicide

London bridge is falling down, falling down, falling down

London bridge is falling down, falling down, falling down
Central line is broken down, broken down, broken down
