

Above Water

Manu Crooks

Stay afloat
I got my head above water
Just so you know
I'm dripping and I'm saucy
The jewels around my neck's got me wavy
Cut my cheque, I do not do no favours
Swimming in some pussy
But my head above water, yeah

Oh, so selfish
When I start shit
We made an entrance and then we pop shit
All the foreigners to front and it's a go
Afterparty at the stu, there they go (Let 'em know)

This insane
All of a sudden we some mates
All of a sudden we so great
All the sudden they not safe
Look, we just want some 10's, don't want no 5's
Don't come around, if you can not vibe
See me swerving, I'm accustomed to the ride
Vroom vroom, we don't wanna slow the grind

These days, I'm in the shops like
"Do you have my size in them?
I don't wanna try them on
Bitch, I've had my eyes on them?"
I'm over window-shopping now, I feel like buying them
I'm saying fuck a opp, aw, we could never ride with 'em

Ay, sir, I ain't really see shit get sticky
They could run up in your house with no mask, no blicky
Used to stay up on the corners with my bros, yeah
Still I hustle tryna make for my folk
I'm talking bout my mums and dem
Never had a father dem
Never had no one to look up to, never had a brother dem
Gymii ni, gymii ni, gymii ni
Pops is probably cool
I can not blame the nigga, he a fucking fool

This insane
All of a sudden we some mates
All of a sudden we so great
All the sudden they not safe
Look, we just want some 10's, don't want no 5's
Don't come around, if you can not vibe
See me swerving, I'm accustomed to the ride
Vroom vroom, we don't wanna slow the grind
