

Buddy Buddy

Manu Crooks

I'm on a wave, (wave)
I do not need you to tell me what's up
I been out here for days, (out here for days)
All of them niggas so fake
When they see me, got nothing to say (nothin' to say)!
I roll with the squad
If you want it, we got it
We makin' the waves, (making the waves)
Paving the way, yeah!

Look
Fuck you bitch I won't be friendly, (fuck 'em)
I will not let you offend me, (no!)
I got my team right beside me, (sheesh!)
You know my niggas get rowdy (they do!)
We cannot be buddy buddy
I will not be buddy buddy
I'm sippin' on something that's muddy, (yeah)
I wrap up the weed like a mummy!
Yeah, the boy flow better
Hit raw when I know better
Can't wait, I'ma go get her
Why wait, when my flow better?
My whole team get the whole cheddar
Oh man, this scene so dangerous
Lotta women that are dangerous
Lessons learnt
Bitches burnt
We just turnt
I'm so high I feelin' ashes! Woah!
Got the squad here, (whole squad, whole squad)
Got some tings here, (side ting, main ting)
All I need-a (what you need, what you need?)
Fuck 'em, let's get it!

I'm on a wave, (wave)
I do not need you to tell me what's up
I been out here for days, (out here for days)
All of them niggas so fake
When they see me, got nothing to say (nothin' to say)!
I roll with the squad
If you want it, we got it
We makin' the waves, (making the waves)
Paving the way, yeah!

Tell a bitch I'm doing fine
We cannot be buddy buddy
Tell a bitch I'm doing fine
We cannot be buddy buddy
Tell a bitch I'm doing fine
We cannot be buddy buddy
Tell a bitch I'm doing fine
We cannot be buddy buddy (no, no)

Look
I see everyone else getting buddy buddy
You not with us, you just want the money

It's not a joke but I find it funny
You can't compare the two
But compare the hostages
Bummy Bummy!

Aw

Set myself on the highest standard, (got standards)
I know you mother fuckers can't stand it
I know you mother fuckers wanna hurt us, (wanna hurt us)
That's why I never trust, never loved us, (yeah)
Set myself on the highest standard, (got standards)
I know you mother fuckers wanna brand us
Got proof that you really wanna beat us
No flex but it's lit when I turn up!
Everyday seem like a season
Cos' we go through so much we recycle reason, [?]
I switch up the flow on these niggas
Switch up the style on these niggas
Shit is just effortless, nigga, hold up!
Actin' like we buddies for the first time
You had to show way, now it's our time
I got them on the case [?], that's air time
2, 3 songs on the prime time!

I'm on a wave, (wave)
I do not need you to tell me what's up
I been out here for days, (out here for days)
All of them niggas so fake
When they see me, got nothing to say (nothin' to say)!
I roll with the squad
If you want it, we got it
We makin' the waves, (making the waves)
Paving the way, yeah!

Tell a bitch I'm doing fine
We cannot be buddy buddy
Tell a bitch I'm doing fine
We cannot be buddy buddy
Tell a bitch I'm doing fine
We cannot be buddy buddy
Tell a bitch I'm doing fine
