

# Lights, Camera, Action!

Manu Crooks

Lights  
Camera  
Action  
Active  
Why the bitches in my life so passive, aggressive  
What you mean  
Can't believe my luck

Lights  
Camera  
Action  
Active  
Why the bitches in my life so passive, aggressive  
Coulda been me  
Maybe I'm toxic (maybe, maybe)  
Maybe I'm honest (maybe, maybe)

All I know that love ain't enough  
Out of reach but never out of touch  
On the edge we both gonna jump  
Catch em lacking they all gonna slump

Life's a movie it's mostly on tape tho  
Can't do groupies don't be a fake hoe  
Love the coochie it's got quite a grip though  
One in a milly  
Like Aaliyah, she one in a million  
(One in a million)  
I go ghost they can tell I'm not feeling them  
(We're not feeling them)

It's goes on and on  
Like the area beefs  
It goes on and on  
But I'm bigger than any of your area beefs  
That goes on and on  
Rather catch a flight  
I'm in London now  
I go Paris next

Gotta take a stand for what I believe in  
And say it with chest  
Never one to beg it  
Couple gyaldem wit me  
Yea you see the settings  
Yea you see the bredrins

Can't pay no mind to all of the rah rah  
Thought my peoples would never turn the blind eye  
Captain cook and them crooks made the headline  
Overlooked, I'm not shook, this is crunch time  
Want me to dance and deliver all them punchlines  
I'm a soldier 10 toes on the frontline

Don't you bother me  
Deal with it  
Accordingly  
Over the shoulder  
They can not afford the peace
