Manu Crooks

Eeny meeny miny moe, moe  
I be smiling head to toe, toe  
I pick and work and then we go  
You know I ain't no Romeo, woah  
Eeny meeny miny moe, moe  
I be smiling head to toe, toe  
I pick and work and then we go  
You know I ain't no Romeo, woah

Yeah I turn up just to turn up, woah  
All the women wanna love me, woah  
I met some strangers and they call me bro  
I guess around here, always saying bro  
Look you can not let them vision  
I go twenty for the twenty  
I got plenty for the penny  
I love women by the many  
I can go city to city  
I can go shitty to pretty  
Get that long in a mini  
Got that long in a mini  
Nude and she showing some titties

I got a dirty, dirty dancing  
I can not do no romancing  
We just chilling, we not sober yeah  
Before the light get some closure, yeah

Eeny meeny miny moe, moe  
I be smiling head to toe, toe  
I pick and work and then we go  
You know I ain't no Romeo, woah  
Eeny meeny miny moe, moe  
I be smiling head to toe, toe  
I pick and work and then we go  
You know I ain't no Romeo, woah

Pull up with her and I'm gone  
Uber riding through the dome  
She not staying til' the morn  
Conversations on the phone  
I just met her for the first time  
And she already down to bone  
I'm a dog, I'm a canine  
Yeah, you know I love to bone  
I sit here and let her talk  
She gon' make the penny drop  
She not ready for the cause  
She just wanna fuck a boss  
Never sipping with the liquor, though  
Think you got it when you really don't  
Out here flexing in a new car  
That you won't own unless this shit is bought  
Yeah

I got a dirty dirty dancing  
I can not do no romancing

We just chilling, we not sober yeah  
Before the light get some closure, yeah

Eeny meeny miny moe, moe  
I be smiling head to toe, toe  
I pick and work and then we go  
You know I ain't no Romeo, woah  
Eeny meeny miny moe, moe  
I be smiling head to toe, toe  
I pick and work and then we go  
You know I ain't no Romeo, woah
