Throw it back, fuck it up
You looking mad, fuck it up

She looking mad, fuck it up

You ain't even worth my time
Wanna call all the time

Whoa!
Don't you ever hit my line
with some drama involved
Ignore, ignore
Whoa!
Check the glow up
Tell 'em hold up
We gon fuck it
Fuck it!
Yeah!
See me biow up
They go hold up
We go fuck it
Fuck it!

I can go coast to coast
Boat to float, roll some Doja
How attention paid, I gotta be a soldier
Hold up!
Gotta watch my back from these cobras
Gotta watch my muthafuckin back
Yeah!

Throw it back, fuck it up
You looking mad, fuck it up
I said throw it back, fuck it up
She looking mad, fuck it up

Throw it back, fuck it up
You looking mad, fuck it up
I said throw it back, fuck it up
She looking mad, fuck it up

She been feeling like she ain't got no competition
Do you feel what I'm saying?
Been around the world I ain't never seen a girl like that, yeah
She the new found hope!
Back flips way above tight ropes!
Haha! These bitches got jokes!
She laughing to the bank, while they stay broke
She show me a lotta love love ooh that's different!
Tell me what tat mean, what is your religion
Tell me all your secrets, I'll be there to listen
I know you think that I am pimpin'

Throw it back, fuck it up
You looking mad, fuck it up
I said throw it back, fuck it up
She looking mad, fuck it up
