

## Back By Sunday

Manuel Riva

Yes, I can wait  
'Cause I got time  
I'm wide awake  
And over it  
Slow-steady state  
Gonna make it late  
Outta time  
Not over you  
Yeah!

Hone, I'm gonna be back by Sunday  
Gonna be back before you know  
It's gonna be fine on Monday  
Feels just like I've never been gone  
I'd better be back by Sunday  
Better be back before you know  
I'm gonna be back by Sunday  
Caught up on a one-way call
