

In Too Deep

Manuel Riva

It's tomorrow I've been tryin' to see
Why you acting like my enemy?
I'm in too deep
I'm in too deep
Doesn't matter if it's you or me
Lay it all on me, no casualty
I'm in too deep
I'm in too deep

It's tomorrow I've been tryin' to see
Why you acting like my enemy?
I'm in too deep
I'm in too deep
Doesn't matter if it's you or me
Lay it all on me, no casualty
I'm in too deep
I'm in too deep

It's tomorrow I've been tryin' to see
Why you acting like my enemy?
I'm in too deep
I'm in too deep
Doesn't matter if it's you or me
Lay it all on me, no casualty
I'm in too deep
I'm in too deep

It's tomorrow I've been tryin' to see
Why you acting like my enemy?
I'm in too deep
I'm in too deep
Doesn't matter if it's you or me
Lay it all on me, no casualty
I'm in too deep
I'm in too deep
