

## It Feels Good

Manuel Riva

I was holding on to nothing  
Been a while since I started walkin'  
Kinda like that road  
I know you've been on  
Now I think we're on to something  
So much more  
My mind's occupied  
By you, ooh...

I ain't gon' run away  
Not this time  
I'll be here  
By your side, ooh...

Tell me is it only in my mind  
Or not this time  
I've been wonderin'  
Cause by your side  
It feels good, ooh...

I ain't gon' run away  
Not this time  
I'll be here  
By your side, ooh...

Tell me is it only in my mind  
Or not this time  
I've been wonderin'  
Cause by your side  
It feels good, ooh...
