

# Miami

Manuel Riva

There's a place in Miami where they heal your soul  
They fill the glass with your deepest hope  
Where the faces have no name  
I feel I'm home  
There's a beach in Miami, when the sun is gone  
You dance in the sand and you're not alone  
There's no faces and no name  
I feel I'm home

Ooh, ooh-oooh-oooh  
Ooh, ooh-oooh-oooh  
Ooh, ooh-oooh-oooh  
I feel I'm home  
Ooh, ooh-oooh-oooh  
Ooh, ooh-oooh-oooh  
Ooh, ooh-oooh-oooh  
I feel I'm home
