

What if I give up
The gold and the glitter
If my credit cards were declined
What if the picture
Don't have a filter
Would I be the one on your mind?

Reflect me in the mirror
There when you need a friend, no
I can be you
Though I live for two
All worth the while
I feel like I can be myself
Be myself
Be my

Hold me just a little, little
Lykklebit love
Lykklebit love
You there
Be myself
Be my
Hold me just a little, little
Lykklebit love
Lykklebit love
Lykklebit, lykklebit, lykklebit, lykklebit
Lykklebit, lykklebit, lykkle-lykklebit, hold me
Lykklebit, lykklebit, lykklebit, lykklebit
Lykklebit, lykklebit, lykkle-lykklebit love

Hold me a little
I don't wanna get up
One look at me and I don't know how to hide
Rum to the liver
A toast to the winner
You won me and no, I don't mind

So, reflect me in the mirror
There when you need a friend, no
I can be you
Though I live for two
All worth the while
I feel like I can be myself
Be myself
Be my

Hold me just a little, little
Lykklebit love
Lykklebit love
You there
Be myself
Be my
Hold me just a little, little
Lykklebit love
Lykklebit love

Little bit of this, little bit of that

Little bitch, I'm a little brat
Little insecure, that's a little fact
Car broke, been a little black
Little homie, the little packs
But you gave me that
How you stay faithful in a room full of pros?
They could all be naked, but you love me in my clothes
Got under my skin and now my spirit is exposed
You see my imperfections, I'm just happy that you chose

Hold me
Lykklebit, lykklebit, lykklebit, lykklebit
Lykklebit, lykklebit, lykkle-lykklebit, hold me
Lykklebit, lykklebit, lykklebit, lykklebit
Lykklebit, lykklebit, lykkle-lykklebit love
Lykklebit, lykklebit, lykklebit, lykklebit
Lykklebit, lykklebit, lykkle-lykklebit, hold me
Lykklebit, lykklebit, lykklebit, lykklebit
Lykklebit, lykklebit, lykkle-lykklebit love
Lykklebit, lykklebit, lykklebit, lykklebit
Lykklebit, lykklebit, lykkle-lykklebit, hold me
Lykklebit, lykklebit, lykklebit, lykklebit
Lykklebit, lykklebit, lykkle-lykklebit love
