

Flames

Marc Almond

Okay, this is something that Chris wrote with Sia and David Guetta
It's a massive, massive hit
And it's called

It went to number five
But it's really a number one
It's really a number one record
It was massive everywhere else, wasn't it?
This is called Flames

Oh, oh
Oh, oh

One foot in front of the other babe
One breath leads to another yeah
Just keep moving, oh oh

Look within for the strength today
Listen out for the voice to say
Just keep moving, oh oh

Go, go, go
Figure it out
Figure it out
But don't stop moving
Go, go, go
Figure it out
Figure it out
You can do this

So my love, keep on running
You gotta get through today, yeah
Yeah my love, keep on running
Gotta keep those tears at bay

Oh, my love, don't stop burning
Gonna send them up in flames
In flames

Don't stop, tomorrow's another day
Don't stop, tomorrow you'll feel no pain
Just keep moving, oh oh

Don't stop the past'll trip you up
You know, right now's gotta be enough
Just keep moving
Oh oh

Go, go, go
Figure it out
Figure it out
But don't stop moving
Go, go, go
Figure it out
Figure it out
You can do this

So my love
Keep on running
You gotta get through today
Yeah my love, keep on running
Gotta keep those tears at bay, oh
Oh, my love, don't stop burning
Gonna send them up in flames
In flames
In flames
In flames

Go, go, go
Figure it out
Figure it out
But don't stop moving
Go, go, go
Figure it out
Figure it out
You can do this

So my love, keep on running
You gotta get through today
Then my love, keep on running
Gotta keep those tears at bay, oh
Oh, my love, don't stop burning
Gonna send them up in flames
In flames

Thank you very much
Thank you
Chris with Sia and David Guetta
