

I'll Take Care Of You

Marc Almond

I know you've been hurt
By someone else
I can tell by the way
You carry yourself

But if you let me
Here's what I'll do
I'll take care of you

I, I've loved and lost
The same as you
So you see I know
Just what you've been through

But if you let me
Here's what I'll do
I'll take care of you

You won't ever have to worry
You won't ever have to cry
I'll be there beside you
To wipe your weeping eyes

So darling, tell me
Will you be true?
For there's no doubt in my mind
I know what I want to do

Understand that surely
As one and one is two
I just gotta take care of you
I just gotta take care of you, yeah

I gotta take care of you now

Yeah, sing it to me now
(Alone in the night)
You're not gonna be alone
(Alone in the night)

You're never gonna be alone
(Alone in the night)
You're just not gonna cry anymore
(Alone in the night)

You're never gonna cry
(Alone in the night)
You're never gonna be alone anymore
(Alone in the night)

You're not gonna cry, you're not gonna be alone
(Alone in the night)
So listen to me now
(Alone in the night)

You're not gonna cry, you're not gonna be alone anymore
(Alone in the night)

You're never gonna be alone
You're never, never gonna be alone
(Alone in the night)

'Cause I'm gonna
'Cause I'm gonna
I'm gonna
Take care of you, yeah, yeah
I'm gonna take care of you, yeah
