

It's My Life Baby

Marc Almond

Take off
Yeah, take off

Oh, it's my life, baby
So don't try and change my ways
Oh, it's my life, baby
So don't try and change my ways
Well, if you want my lovin'
Don't make no graveyard play

Oh, how can you tell to me
When you're advice is better for you?
Oh, how can you tell to me
When you're advice is better for you?
How can you say you love me
When you know you won't be true?

Now listen
You're always tellin' people
That I drink too much
But every time I get a bottle
You add your little touch

Oh, it's my life baby
So don't try and change my ways
Well, if you want my lovin'
Don't make no graveyard play

Yeah, it's my life
Talk ya, ooh

Yeah
Yeah

Well it's my life pretty baby
So let me live it as I please
Well it's my life pretty baby
So let me live it as I please
If things ain't gonna suit you
Yeah, you can take off with the breeze

You don't like what I'm sayin'
You can shut up and you can get out
